

## *Consulting & Project Management*

# FLOORCOVERING MANAGEMENT

## Expert Consulting

FTG offers the expertise of Australia's leading carpet consultants. Services include:

- Environmental strategy development
- Corporate Contract establishment and management.
- Dispute resolution and expert witness service
- Carpet audits and problem management strategies
- Training and technical advice

## Building & Portfolio Carpet Management

A single package of services to handle all carpet related issues anywhere in Australia

- Emergency response to disaster or OH&S issues nationally.
- Carpet Audits and budget forecasting.
- Database of carpet assets, depreciation, replacement obligations and costs.
- Warehousing and inventory management of spare or stock carpet.
- Carpet maintenance planning, implementation and management..
- Procurement management incl. leasing, fixed cost supply, install and maintain contracts.

## re-COVER™ - Disaster Management

Disaster management with a unique difference, we represent the end user and not the insurer. Our focus:

- Loss mitigation – Pre-registration and data collection to speed effective response times.
- Asset Protection – Ensuring long term value is maintained
- Income protection – protecting the rental stream
- Risk management – OHS&E management for immediate and long term risks
- Insurance claim management – smoothing the insurance claim passage.
