

## ***Non-disruptive fit-out upgrades to occupied areas***

**re-FURBISH™** is a comprehensive system for fit-out upgrades in occupied areas. It is a dedicated system that can transform a busy office without disrupting staff or customers.

Key benefits;

### **A system that works, every time.**

**re-FURBISH™** is a comprehensive system operated by professionals on a full time basis. It delivers results on time, every time, and guarantees that staff and customers will never see a building site.

### **We work when you don't.**

**re-FURBISH™** is designed to fit up to 2 weeks of normal site works into a single weekend. We guarantee that during normal working hours the premises will look and operate like normal. Your staff and customers will simply see a progressive upgrade that appears like "magic".

### **One point of responsibility.**

**re-FURBISH™** ensures that you have one point of responsibility for the entire project from start to finish. From initial concept to handover with one Project Manager, ensuring that every project runs smoothly and is delivered on time, exactly as promised.

### **Unrivalled Expertise.**

**re-FURBISH™** has been developed from more than 40 years of office fit-out experience and practical hands on building experience. This is complemented with expertise of interior designers, Australia's leading carpet consultants, and corporate relocations experts.

### **You'll be amazed what can be done.**

**re-FURBISH™** can replace carpet, re-furbish suspended ceilings, demolish partitions, build new partitions, reconfigure or replace workstations, upgrade data, power and voice cabling, paint all painted surfaces, upgrade kitchens, replace reception areas, install new filing systems and much more. All done without disrupting you ability to service your customers.

### **There's even more.**

When you just need new carpet our non-disruptive **re-CARPET™** program gives you the option of any carpet and exclusive extended warranties.
